

1. Report access limitations

The selection of 'Level of Information' may affect the ability to view some reports.

Levels of Information:

- National
- State
- Field Office
- Metropolitan Area
- County
- City or Locality
- Housing Agency
- Project
- Congressional District

Selection of the 'Metropolitan Area,' 'County,' 'City or Locality,' and 'Congressional District' levels of information results in the inability to view some reports.

- Key Management Indicators
- FSS Enrollments
- FSS Enrollee Progress
- FSS Exits
- FSS Delinquencies
- Over- and Under-housed
- Mobility and Portability
- Changes in Income (TANF)
- Changes in Income (Non-Elderly SSI)
- Changes in Income (Elderly SSI)
- Citizenship*
- Income*

* PHAs only

Note:

- You must view detailed reports, except for the HA Delinquency, at the 'Housing Agency' or 'Project' level of information.
- Section 8 programs do not have projects; you cannot access these reports at the 'Project' level.

2. Level of Information options

You must select a 'level of information' to gain access to specific reports.

From the *Selection Menu* use your mouse to select the 'level of information' that meets your reporting needs. Separate instructions exist for each 'level of information.'

2.1 National Data

1. Use your mouse to select the *National* level of information.
2. Click on the *Report Menu* button.

2.2 State Data

1. Use your mouse to select the *State* level of information.
2. Choose a state from the drop-down box that automatically appears.
 - ⇒ Type in the first letter of the state, and your cursor automatically goes to the first state that begins with that letter. Keep typing that letter until the state you want is highlighted.
 - ⇒ By holding down the [Shift] key and using your mouse, you may choose more than one state.
3. Use your mouse to click on the *Report Menu* button.

2.3 Field Office Data

1. Use your mouse to select the *Field Office* level of information.
2. Choose a field office from the drop-down box automatically appears.
 - ⇒ Type in the first letter of the field office, and your cursor automatically goes to the first field office that begins with that letter. Keep typing that letter until the field office you want is highlighted.
 - ⇒ By holding down the [Shift] key and using your mouse, you may choose more than one field office.
3. Use your mouse to click on the *Report Menu* button.

2.4 Metropolitan Area Data

Use your mouse to select the *Metropolitan Area* level of information.

- Two options automatically appear: *Within US* and *Within a State*

2.4.1 Within US

1. Use your mouse to select the *Within US* level of information.
2. Choose a metropolitan area from the drop-down box that appears.
 - ⇒ Type in the first letter of the metropolitan area, and your cursor automatically goes to the first metropolitan area that begins with that letter. Keep typing that letter until the metropolitan area you want is highlighted.
 - ⇒ By holding down the [Shift] key and using your mouse, you may choose more than one field metropolitan area.
3. Use your mouse to click on the *Report Menu* button.

2.4.2 Within a State

1. Use your mouse to select the *Within a State* level of information.
2. Choose a state from the drop-down box that appears.
 - ⇒ Type in the first letter of the state and your cursor automatically goes to the first state that begins with that letter. Keep typing that letter until the state you want is highlighted.
3. Use your mouse to click the *MSA* button.

A rectangular button with a light gray background and a thin black border. The text "MSA List" is centered on the button in a black, sans-serif font.

4. Choose a metropolitan area.
